DISCLAIMER SOLID SLAB DOOR #97

All customers purchasing Door #97, with or without battens, please be advised that this door carries NO WARRANTY WHATSOEVER against warping, twisting and or bowing. Due to the inherent nature of wood to expand and contract when the moisture content changes, it is impossible to ensure delivery of a product that is not warped, twisted or bowed.

By signing this form I understand that I am releasing the quotes listed below to be manufactured by Drees Wood Products, Inc. I understand that when I receive the doors they will have NO WARRANTY and Drees Wood Products, Inc. will not replace or refund any product that is not under warranty.
